Preview:

Covered:

```
switch ( iValue ) {  
  case 0: doA();  
          break;  
  case 1: doB();  
          break;  
  default: doC();  
}
```

Partly Covered:

```
switch ( iValue ) {  
  case 0: doA();  
          break;  
  case 1: doB();  
          break;  
  default: doC();  
}
```

Not Covered:

```
switch ( iValue ) {  
  case 0: doA();  
          break;  
  case 1: doB();  
          break;  
  default: doC();  
}
```
